THE BREVITY BASKET.

Filled With Brief Mention of Many Minor Events of Yesterday.

Edwin S. Cook has been appointed a fireman in truck "D," vice Reineberg resigned.

An old colored man fell from a wagon Saturday near the corner of Fifth and H streets and was severely injured about the head.

The commissioners have approved the application for a liquor license of H. Oppenheimer, No. 1000 Pennsylvania Avenue northwest.

About 11 a. m. Saturday a drunken man stole a horse and wagon belonging to Mr. J. W. Davall at the corner of Ninth and P streets and afterward abandoned them. They were picked up by an officer and returned to the owner.

A citizen who asked the commissioners to include Sixth street southeast, from Pennsylvania Avenue to K street, be placed in the estimates for repairs, has been notified that the estimates are made up in September and the request will be considered.

The meetings at the Christian church, on Vermont Avenue, between N and O streets, which have been in successful progress for several weeks past, will be continued this week under the leadership of Elder A. L. Hobbs, of Louisville, Ky.

About 11 o'clock Saturday night, while one of the cars of the Metropolitan railroad was passing between the Stewart castle and P street bridge, the driver was assaulted by two negroes. While one pointed a pistol at the driver the other one made off with the cash-box, containing \$9.

Mrs. Jane Thomas, formerly a public school teacher, died at her residence, 1127 K street, Friday night, in the 78th year of her age. She was well known in the city, many men now prominent in the city having studied under her. The funeral will take place at 2 o'clock this afternoon from her late residence.

Mr. Henry E. Davis, as counsel for Thomas J. Laseby, indicted for forging an affidavit to a pension claim, Saturday argued a motion in the criminal court, to quash the indictment on the ground of failure to set out an offense. Judge Wylie sustained the motion as to the second count, but overruled it as to the first and third.

Rev. Nathan Sites arrived in the city Saturday evening from China, where he has been a missionary of the M. E. church for nearly twenty-five years. He is a delegate from the China conference to the general conference in Philadelphia next month. His son, Mr. C. M. L. Sites, met him in New York after a separation of nine years.

Lieut. Kelly, aided by Special Detective Burrows and Sergeant Trueman, on Saturday arrested William Kinsley, Lincoln Hughes, William Hughes, Daniel Benton, and George Hilton on the charge of engaging in a prize fight on Wednesday evening last. The principals were William Kinsley and Lincoln Hughes, the others being seconds.

The fight took place on the wharf near the end of Wheatley's lumber yards. William Hughes is already in jail on a charge of assault committed on a Mr. Coleman the same evening at a dance in the West End hotel.

Commercial Traveler.

A traveling agent of the large drug house of H. K. & F. E. Fisher & Co., New York, a member of my family had an attack of rheumatism which was cured by St. Jacob's Oil, the great pain-cure.

Meridian Hill Lots.

Read the advertisement in to-day's issue of the sale of magnificent suburban property, consisting of 112 lots located in various sections of Meridian Hill, some of which front on Boundary, Eighteenth, Sixteenth, and Fifteenth streets, Columbia road, Erie, and Ontario avenues. For suburban sites Meridian Hill surpasses any other property in the district, and as the sale is pre-emptory it presents a splendid opportunity for capitalists and others, as it is understood the district authorities contemplate jacking improvements by opening some of the streets. The sale takes place to-day and to-morrow, commencing each day at 3 o'clock. Plans and further information can be obtained of the auctioneers, Ninth and D streets northwest.

With Durkee's Salad Dressing there is no waste or disappointment. You are certain to produce a good salad. It costs less than home-made, and is, besides, a superb table sauce.

The Company Warned.

M. M. Garten has requested the commissioners to make the crossing of the Baltimore and Potomac railroad on I street southeast passable. The commissioners have referred the complaint to the railroad company with the request that the crossing be repaired and properly laid.

The Orders Taken.

In our custom department so far this season is beyond a precedent, but as we buy in quantity (not in pattern) we can duplicate every order. Eastman Bros., Clothiers and Tailors, cor. 7th & E sts.

Marriage Licenses.

Marriage licenses were issued Saturday to Caldwell C. Hough, of Charleston, W. Va., and Ella A. Stiner, of Loudoun county, Va.; Adolf Morris Fischel and Rebecca Goodman, both of Georgetown; William H. Yeatman and Kate Sauer.

The Library Site.

The library site bill will probably be called up in the house some time during the present week by Mr. Singleton, and will, it is thought, be passed.

The Ohio Republican association meets at headquarters (Grand Army hall) tonight. Members are urged to attend. Chairman, William Lawrence, President. HAROLD C. MCGREW, Secretary.

ARTIFICIAL TEETH WITHOUT PLATES!

DR. C. L. ANDERSON,

Formerly Expert of the SHEFFIELD TOOTH CROWN CO., New York city, has opened an office at 515 Twelfth street N. W.

Tooth Crowns and Artificial Teeth Without Plates.

THIS SYSTEM entirely obviates the necessity of extracting teeth, does away with artificial teeth, prevents the suffering caused by decay of the teeth, and consequent extraction of the roots (producing a change in the expression of the face and mouth), and avoids the pain and excessive annoyance of a plate.

By this method roots and badly decayed teeth which are firm in position may be restored to perfect usefulness and beauty, performing the office of mastication like the natural teeth.

IF BUT FOUR (or more) roots or teeth still remain in proper position we can attach an ENTIRE SET of teeth to them, restoring the expression, comfort, and usefulness without the use of a plate.

These operations are comparatively painless; are PERMANENT, NATURAL and CLEANLY, and those who have worn artificial teeth, and had this operation performed, testify to the cleaner, cooler feeling of the mouth, the restoration of the sense of taste, and their ability to thoroughly masticate food, with added comfort and increased health.

The crown work is a perfect and beautiful imitation of the natural teeth. It is most comfortable, there being no plate covering the roof of the mouth, so that after a few days there is nothing to indicate that the patient has not his or her own natural teeth. It is the most cleanly work, as every part can be easily reached with a brush, and the highly polished surfaces of gold and porcelain are without difficulty kept free from deposits, and performs the office of mastication like the natural teeth.
